EXCEPTIONAL

At SAAS Properties, we craft homes that transcend the everyday, offering an unparalleled experience defined by timeless design and refined aesthetics. We endeavour to create premium living space that seamlessly blends innovation and sustainability. With projects that set the benchmark for elegance and quality in the region, SAAS Properties is synonymous with luxury living in the UAE. Our acclaimed projects include SAAS Tower in Dubai, One Reem Island, Reem Five, Reem Nine, Reem Eight, Reem Eleven and SAAS Business Tower, in Abu Dhabi.

A photograph of a modern, curved building with a glass facade and a rooftop pool. The building is white with a curved roofline. The pool is on a rooftop terrace with lounge chairs and potted plants. The background shows a cityscape at sunset, with a large highway and a distant skyline including a tall skyscraper.

Life flows in curves,
REVEALING ENDLESS
POSSIBILITIES

The image is a full-page background photograph of a rooftop infinity pool. In the foreground, two lounge chairs with white cushions are positioned on a light-colored stone terrace. A pair of sunglasses and a magazine rest on the right-hand chair. The pool's edge is perfectly aligned with the horizon, creating a seamless transition from the pool's surface to the city below. The city of Dubai is visible in the distance, with the Burj Khalifa standing out prominently on the right side of the skyline. The sky is a clear, vibrant blue with a few wispy clouds near the horizon.

Art of curves in CONTEMPORARY ARCHITECTURE

Nestled in Dubai Science Park, this exquisite development features an elegantly curved design, harmonising natural airflow to evoke a sense of openness and freedom. The two masterfully designed towers house a collection of apartments, townhouses, and duplex sky villas, each meticulously crafted with sophistication and timeless style.

A woman in a white short-sleeved shirt and light-colored trousers is drawing a red mark on the forehead of a young girl standing in a modern, minimalist interior. The girl is wearing a yellow dress and dark shoes. The room features a large bookshelf, a concrete wall, and a warm, ambient light. In the foreground, a blurred plant and a light-colored armchair are visible.

The hub for WORK, PLAY & LIVE

In addition to being a hub for healthcare, energy and environment sciences, Dubai Science Park is minutes away from business districts like Dubai Hills Business Park, Dubai Media City and Dubai Internet City, among others.

Students can choose from some of Dubai's finest schools, from Repton School within Dubai Science Park itself to Nord Anglia International School and King's School in the immediate vicinity.

Golfers will love the proximity to Dubai's finest golf courses including the legendary Els Club. Your well-being too receives world-class attention thanks to the likes of Kings College Hospital and Mediclinic Parkview Hospital being right around the corner.

Effortless access to **PRIME DESTINATIONS**

Ideally positioned between three major highways, offering easy access to Dubai's iconic landmarks, the development presents an unparalleled blend of lifestyle and convenience. It's just a minute from Sheikh Mohammed Bin Zayed Road and three minutes from Al Khail Road.

SOCIAL LIVING

redefined

If you're looking to host a large party for friends, you have a spacious community hall that comes with dedicated cooking and dining areas. Missing the beach? Head up to our sandy beach pool on the rooftop for quality time with your family. Engage in friendly competition with your fellow residents at dedicated courts for padel and basketball. Even the little ones have their share of fun with two thoughtfully designed play areas and a games lounge. Designed to offer a perfect blend of recreation and sophistication, the leisure areas help shape your fulfilling lifestyle.

Luxurious LIVING IN *every* DETAIL

The prestigious address boasts two majestic towers - Tower A and Tower B, featuring 857 exclusive residences. Unparalleled refinement in every detail distinguishes the luxurious townhouses and duplex sky villas. With thoughtfully designed apartment layouts that also include maid's rooms, these residences redefine contemporary lifestyle. Complementing the signature curved architecture, a 10-metre-high waterfall cascades across an area of 200 square metres at the heart of the building, filling each day with soul-enriching serenity.
